

Ing. David Jaroš

Programmer C#/.NET Junior

42 years

Industry: IS/IT: Application and system development
Education: University
Citizenship: Czech Republic

E-mail: **david.jaros@centrum.cz**
Telephone: **725564528**
Residence: **Jeseník**

Personal web: <http://www.bezva.tode.cz>

Introduction: I am looking for the software development job offers. I graduate in August 2017 and meantime I am going to start working in IT industry (ideally from the 1st of June 2017). The best position I think will be as a programmer or tester from scratch. My preference is C # /. NET, but I do not insist on it.

Work experience

09/2014 - till now **Building designer and student of Applied Informatics at the same time**

Civil engineering and real estate trade

Ing. Martin Černohous, Rapotín, CZ

Creation of building drawings, designs of structures. Combined study of Applied Informatics at the Palacky University, Olomouc, CZ.
